Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes – We have used some of the Sports Premium in order to boost our percentage of children leaving Primary School meeting the requirements according to the National Curriculum for Swimming. We have achieved this by paying for an additional swimming slot on Friday afternoons to increase our percentages. This has had a large impact on our pass rate this year.
